## Local Government Statement of Intent

K.S.A. 65-3415 grants KDHE the authority to spend State Solid Waste Management Funds to help clean up **illegal** dumps under the following conditions:

- the responsible party must be unknown, unwilling, or unable to clean up the site
- the state may spend no more than \$10,000 per site
- the city or county must consent to the clean-up and must pay a minimum of 25% of the cost of the clean-up

**How does the City/County anticipate meeting the 25% match?** Cash or in-kind services, including labor, equipment, supplies, and landfill space may be used to satisfy this match requirement.

Title

**Note:** State law directs KDHE to initiate cost recovery actions from the responsible party or parties when money from the solid waste management fund is used for the clean-up of illegal dumps. However, KDHE will assess the circumstances regarding each site before carrying out any such actions. Factors which will be considered include, but are not limited to, the resources of the responsible party or parties and the confidence in the identification of the responsible party or parties.
